

## ACADEMIC WRITING 2015

Docente: Martin Harper

### Syllabus

Students are taught how to write a five-paragraph discussion essay, how to describe statistical information presented in the form of various graphs and charts, and how to summarize information taken from a variety of texts without resorting to plagiarism.

### Exam Format

In 90 minutes, candidates have to either (i) write a five-paragraph discussion essay; (ii) describe statistical information presented in the form of graphs and/or charts; or (iii) summarize information taken from a variety of texts without resorting to plagiarism.
