

ACADEMIC WRITING 2016

Docente: Martin Harper

Syllabus

Students are taught how to write a five-paragraph discussion essay, a reflective essay, how to describe statistical information presented in the form of various graphs and charts, and how to summarize information taken from a variety of texts without resorting to plagiarism.

Exam Format

In 90 minutes, candidates have to either (i) write a five-paragraph discussion essay; (ii) write a reflective essay comparing a theoretical framework with their own experience; (iii) describe statistical information presented in the form of graphs and/or charts; or (iv) summarize information taken from a variety of texts without resorting to plagiarism.
